## MAINTENANCE AGREEMENT

between

Disneyland Resort, a division of the Walt Disney Parks and Resorts, U.S., Inc.  
(hereinafter referred to as the "Employer")

and

the DISNEYLAND CRAFT MAINTENANCE COUNCIL and the INTERNATIONAL UNIONS  
and the LOS ANGELES/ORANGE COUNTIES BUILDING AND CONSTRUCTION  
TRADES COUNCIL, AFL-CIO,  
whose names are subscribed  
hereto, and who have through their duly authorized officers, executed this Agreement,  
(hereinafter collectively called "Union")

Amending Agreement entered into March 1, 2020. Amendment shall be effective March 1,  
2020, or at subsequent dates as set forth in this Agreement, hereinafter entitled the 2020  
Agreement.

WITNESSETH:

### SECTION 1 INTENT OF THE PARTIES

- A. It is the intention of the parties of this Agreement to promote an increasing spirit of harmony between the Employer, party of the first part, and the employees of the aforementioned Employer, members of the Union, parties of the second part. There shall be no cessation of work through strikes against the Employer or lockouts by the Employer for the duration and term of this Agreement and all workmen covered by this Agreement shall perform the work customarily performed by them and will cooperate and work with members of the other organizations, both independent and those affiliated with the AFL-CIO, without regard to past, present or future disputes based on jurisdictional claims.
- B. All jurisdictional disputes between the Unions signatory hereto, or on whose behalf this Agreement is made, or any other Unions affiliated with the AFL-CIO, shall be determined in the manner and by the procedure established by the American Federation of Labor and Congress of Industrial Organizations and no jurisdictional stoppages or slow-downs shall be imposed upon Disneyland.
- C. The Employer and the Union shall take all steps necessary to obtain compliance with subsections A and B above, and neither shall be liable for conduct for which it is not responsible. If the Employee contends that any Union has violated

subsections A or B, it will **notify** the signatory International President(s) of the local Union(s) involved advising him of that fact. The signatory International President(s) will immediately instruct, order and use the best efforts of his office to cause the local Union(s) to cease any violation of subsections A or B. Any signatory International Union complying with this obligation shall not be liable for the unauthorized acts of its local Union.

- D. The Employer and the Union agree there shall be no discrimination against any employee or prospective employee on any basis which is now, or in the future becomes prohibited by the State of California and/or the United States Government.

### SECTION 2 RECOGNITION

The Employer recognizes the Unions parties to this Agreement as the sole collective bargaining representatives of all of the Employer's employees who are in the classifications of work listed in Section **35 and the attached wage rates table** at Disneyland Park/Disney California Adventure, located at Anaheim, California **and all Facilities Operations Services (FOS) operations where unit members are regularly scheduled to perform bargaining unit work in support of Disneyland Park and Disney California Adventure, but excluded are all other employees**, salaried supervisory employees, office and administrative employees, nurses, and any other classification of employees excluded under the Labor Management Relations Act of 1947, as amended. This Agreement shall apply to the Employer's Maintenance operations at Disneyland Park/Disney California Adventure.

This agreement also applies to Downtown Disney as defined in the "Addendum to the 1998 Maintenance Agreement at Disneyland" dated July 10, 2000.

### SECTION 3 UNION SECURITY

- A. The Employer agrees that all employees on the Employer's payroll as of the effective date of this Agreement, or who are subsequently employed by the Employer, shall become and remain members of the appropriate Union in good standing within thirty-one (31) days of the effective date of this Agreement or their date of employment, whichever is the later, as a condition of continued employment.
- B. The Employer agrees to call the respective Unions for employees and to give consideration to any referrals made within forty-eight (48) hours. Such applicants for employment shall be referred from nondiscriminatory lists maintained by the Union for such referrals. If the respective Union is unable to refer employees satisfactory to the Employer within forty-eight (48) hours, the Employer may hire from other sources, provided that said employees be notified before commencing employment that the Employer is operating under a Union Contract.

- C. The selection of applicants by the Union for referral to jobs shall be on a nondiscriminatory basis, and shall not be based on, or in any way, affected by, Union membership, By- laws, rules or regulations, constitutional provision or any other aspects or obligations of Union membership, policies or requirements.
- D. The Employer shall have the right to reject any job applicant referred by the Union.
- E. The parties hereto shall post in places where notices to employees and applicants for employment are customarily posted, all provisions relating to the functioning of the hiring arrangement, including the safeguards that the National Labor Relations Board and/or General Counsel of the National Labor Relations Board have deemed essential to the legality of an exclusive hiring agreement.
- F. In the event that an applicant for employment feels that he has been the victim of discriminatory hiring practices by either the Employer or the Union, he may appeal such alleged discrimination to the Disneyland Park/Disney California Adventure Joint Conference Board within three (3) working days after such discriminatory practices are alleged to have occurred. The Joint Conference Board shall then have ten (10) working days in which to meet and make a decision with respect to the alleged discrimination. Should the applicant for employment be dissatisfied with the decision of the Joint Conference Board, he may then appeal his case to an impartial arbiter. Such impartial arbiter shall be selected and the alleged discrimination shall be arbitrated pursuant to the then existing rules of the American Arbitration Association.
- G. It is understood that the Employer may, where applicable, hire or transfer employees who have been working at Disneyland/Disney California Adventure for the Employer, or other contractors on construction work, to maintenance work covered by this Agreement by calling the Union beforehand.

#### SECTION 4 NOTICES

The Employer agrees to recognize the various craft jurisdictions of work of the Union parties hereto, but shall not be required to recognize any conflicting areas of work jurisdiction.

All notices given under this Agreement shall be given by and to the Employer on the one side and the Disneyland/Disney California Adventure Craft Maintenance Council and appropriate signatory International Unions and the Building and Construction Trades Council of Orange County, AFL-CIO, on the other.

## SECTION 5 ACCESS TO UNION REPRESENTATIVES

Representatives of the signatory Unions, designated in writing to the Employer by the Union concerned, shall be permitted to enter the Disneyland/Disney California Adventure area for the purpose of determining that this Agreement is being complied with by the Employer and for the presentation and handling of grievances. Such representatives, who shall not be more than three (3) in number for each Local Union, shall comply with the Security regulations of the Employer, and shall not unnecessarily interrupt the performance of employee work assignments.

## SECTION 6 MANAGEMENT RIGHTS

The operation of the business, including the direction of employees and determining the number of classifications and employees required, shall be the sole function of the Employer, but shall not be used so as to defeat any provisions of this Agreement. Except as is provided in Section 3 Union Security of this Agreement, the Employer has the right to establish standards of employment and to hire, discharge or suspend an employee for any just cause which it deems sufficient, but shall not exercise this right so as to defeat any provision of this Agreement.

Furthermore, no employee shall be discharged or discriminated against because of Union membership or proper activity on behalf of the Union.

The parties **also** recognize that it is the right, obligation and responsibility of the Employer to operate its business in the manner which is consistent with its corporate goals, therefore, except as limited by the terms of this Agreement, the Company reserves and retains exclusively all of its normal and inherent rights with respect to the management of the business, including but not limited to **the right to create add, amend, and/or rescind any or all employee privileges and perquisites (including, but not limited to: employee discounts, complimentary admission, Main Entrance Passes, recognition awards, celebrations, etc.); to determine qualifications: its right to determine, select and direct the number of employees assigned to any classification of work; regulate the methods, quantity and quality of work; to determine the product, price, method of operation and supervision of the workforce; to determine hours of operation and appropriate equipment and supplies required; to establish and change work schedules and assignments; to lay off, or otherwise release employees from duty for lack of work; to establish, modify and enforce policies and rules, including standards of conduct and personal appearance, to discontinue conduct of business or operations in whole or part; and to institute technological changes and otherwise to take such measures as Management may reasonably determine to be necessary to the orderly, efficient and economical operation of the business.**

## SECTION 7 GRIEVANCE & ARBITRATION PROCEDURE

### STEP 1. Immediate Supervisor

- A. Any employee who believes he has a specific justifiable request or grievance in regard to wages, hours, conditions of employment or interpretation of this Agreement, shall meet to discuss the same with his/her immediate supervisor with, or without, a Shop Steward of his or her Union, being present, as the employee may elect in an attempt to settle the issue. If an employee discusses an issue with his Supervisor without a Shop Steward being present, and a satisfactory solution is not reached, the employee may request the Steward's presence to assist in resolving the issue. Any solution or settlement shall be consistent with the terms and provisions of this Agreement. Any issue not raised within fifteen (15) working days after its occurrence, shall be deemed waived or abandoned. The Moving Party shall be responsible for scheduling this meeting. For the purposes of Section 7, 'Moving Party' is defined as the Party originating and advancing the grievance or complaint. If the issue is not settled within five (5) working days after its presentation to the Supervisor, the employee or the Steward may proceed to Step 2 of the Grievance Procedure. For the purposes of this section only, working days shall be defined as Monday through Friday excluding holidays.
- B. In the case of suspension or discharge, either party may unilaterally waive Steps 1 and/or 2 and proceed directly to the next appropriate Step. In all other grievances, the parties may mutually agree to waive Steps 1 and/or 2 and proceed directly to the next appropriate Step.
- C. Should the Employer feel that there is a justifiable complaint against the Union or its members, the matter shall be taken up with the Union Business Representative. If a satisfactory settlement is not reached, the Employer may proceed in an attempt to settle the matter in the same manner as outlined herein for the adjustment of an employee grievance.

### STEP 2. Division Head

Any grievance not settled pursuant to Step 1 must be presented to the employee's Division Head or his/her designated representative within five (5) working days from the date of the supervisor's decision under Step 1. The Division Head or his designated representative and the Steward shall meet within five (5) working days after invocation of Step 2, in an attempt to settle the grievance. The Moving Party shall be responsible for scheduling this meeting. If a satisfactory solution is not arrived at within ten (10) working days of the grievance being moved to Step 2, the Moving Party may elect to move the grievance to Step 3.

STEP 3. Labor Relations

Upon invocation of Step 3, any grievance not resolved under Step 2 shall be reduced to writing, setting forth each Section of the Agreement alleged to have been violated, the specific date(s) of the alleged violation(s), identification of each employee involved, the specific location of the event(s), if applicable, and any other information or evidence that may be necessary to establish a full understanding of the immediate grievance. The grievance shall be presented to the Labor Relations office. The Labor Relations Representative and the Union Business Representative shall meet within ten (10) working days to attempt to settle the grievance. The Moving Party shall be responsible for scheduling this meeting. The answer to a grievance shall be reduced to writing and forwarded to the grievant's Business Representative within ten (10) working days after the parties have met. If a satisfactory solution was not reached at Step 3, then Step 4 may be invoked within fifteen (15) working days following receipt of the unsatisfactory written Employer or Union response, by notifying the Employer's Labor Relations Representative or the appropriate Union Representative in writing.

STEP 4. Arbitration

- A. Should the parties fail to reach agreement under Step 3, the Union and the Employer shall meet within ten (10) working days after a timely demand for Step 4 has been invoked to select a mutually agreed upon Arbitrator from the permanent panel of **seven (7)** arbitrators (Lou Zigman, **Mark Burstein, Jan Stiglitz, Frederick Horowitz**, Jonathon Monat, Matthew Goldberg and Edna Francis) to hear and determine the specific grievance. The Moving Party is responsible for scheduling the meeting. The selected Arbitrator shall expeditiously meet with the parties to consider the grievance in accordance with the provisions of Step 4.
- B. In the event an Arbitrator cannot be mutually agreed upon within ten (10) working days after the written demand for arbitration has been served, the following shall apply. With regard to cases involving discipline, the Employer shall first strike one (1) name from the list and the Union shall then strike one (1) name, thus alternating until the remaining name shall be the Arbitrator. In all other cases, the Union shall first strike one (1) name from the list and the Employer shall then strike one (1) name, thus alternating until the remaining name shall be the Arbitrator. The Arbitrator selected shall be the sole Arbitrator to hear and determine the matter. The Moving Party is responsible for the scheduling and coordinating of the Arbitration within fourteen (14) calendar days of the Parties selection of an Arbitrator. If an Arbitrator is no longer available to serve on this panel, the Employer and the Union may meet and agree on a new individual as a replacement.

- C. The Arbitrator shall expeditiously meet with the parties to consider and decide the grievance and shall be encouraged by both parties to render an immediate, oral "bench" decision upon hearing and considering all evidence presented, followed by a timely written confirmation of the decision. Should either party request the filing of post-hearing briefs, in which case said briefs shall be submitted to the Arbitrator within thirty (30) days from the close of the hearing or thirty (30) days from the date the transcript is received by the Parties if a Court Reporter is used as referenced in Section 7, Step 4, F. The Arbitrator shall expeditiously issue his/her decision and notify the parties in writing as to the final decision. The decision of the Arbitrator shall be reduced to writing and shall be final and binding on the Employer, the Union, and the aggrieved employee.
- D. Any expense incurred when witnesses are used, other than employees who are on duty, shall be borne by the party requesting the witnesses to appear. For the purposes of this Section, time spent as a witness shall not be construed as working time under the provisions of this Agreement.
- E. The Arbitrator shall have no authority to modify, add to, or take away, any of the terms of this Agreement. Jurisdictional disputes shall not be subject to the Grievance and Arbitration Procedures set forth. It is agreed that any grievances, except as provided herein, involving the interpretation or application of this Agreement, or any supplements or amendments thereto, will be subject to arbitration.
- F. All expenses and fees of the Arbitrator shall be borne by the party against whom the Arbitrator makes his decision. Expenses and fees associated with the use of a Court Reporter, if used, shall be borne by the Party requesting such services, unless otherwise mutually agreed to by the Parties.
- G. Unilateral withdrawal, postponement, and cancellation expenses and fees shall be borne by the party requesting the withdrawal, postponement or cancellation, unless otherwise agreed to by the Parties.

#### General Provisions

- A. Any grievance shall be deemed to be waived or abandoned unless all the Steps and time limits are properly invoked within the period specified unless otherwise mutually agreed upon by the Parties in writing.

Either party may request an extension of the time limits set forth in Steps one (1) through four (4), as outlined in this Section 7 above, in writing, and such request shall not unreasonably be denied by the other party.

- B. A grievance may be withdrawn at any time. Following a withdrawal, the grievant and the Union are then prohibited from filing a subsequent grievance on the basis of the same event that gave rise to the immediate grievance.

- C. Recording Devices: The Parties agree that no recording devices of any kind shall be permitted to be utilized during Steps 1, 2, or 3 of the grievance procedure and shall only be leveraged during Step 4 by mutual agreement of both Parties. This does not include the use of a Court Reporter as outlined in Step 4 above.
- D. Periodically the Employer places an employee on investigatory suspension for the purposes of adequately investigating the facts surrounding an incident. When this occurs and the Employer ultimately determines that the affected employee should receive no disciplinary action or disciplinary action for less time than the investigatory suspension, the employee will be paid for the remaining scheduled shifts that he may have missed.
- E. In such cases where an employee is placed upon an unpaid investigatory suspension, the Employer will endeavor to conclude such an investigation in no more than five (5) working days. However, the determination as to the final length of any unpaid investigatory suspension shall be at the sole discretion of the Employer.

#### SECTION 8 JOINT CONFERENCE BOARD – OTHER MATTERS

- A. There is hereby established a Joint Conference Board. The Board shall consist of a committee of eight (8) members, four (4) appointed by the Employer and four (4) appointed by the Unions signatory to this Agreement.
- B. The Joint Conference Board shall meet to discuss any matters concerning the satisfactory relations of the parties as well as the promotion of harmonious Employer-employee relationships. The Joint Conference Board has the sole responsibility of resolving any questions arising under this Section.
- C. In the event the Employer makes modifications to its Health and Welfare, Dental and Vision Plans as set forth in Section 13 of this agreement, or establishes any new benefit plans (such as a 401K Plan) which are extended to employees under the terms of this agreement, it will endeavor to notify the Chairman of the Craft Maintenance Council prior to implementation of said changes to discuss the rationale and impact on the bargaining unit. Failure to give such prior notice shall not preclude the Employer from implementing changes to its benefit plans.

## SECTION 9 NEW CLASSIFICATIONS

If the Employer hereafter establishes any new or substantially changed job classification or work operation, it will give as much notice thereof to the Unions as is possible. The question of proper classification and wage rate shall be submitted to the Joint Conference Board for resolution. If not resolved by the Joint Conference Board, either party may request arbitration for the proper classification and rate under the procedure of Section 7, preceding. Pending resolution of the problem by the Joint Conference Board or arbitration, the Employer may install the new or substantially changed classification or work operation at the rate which it has proposed. In the event any higher rate is agreed upon by the Joint Conference Board or awarded after arbitration, it shall be effective retroactively as of the date the classification or operation was installed.

## SECTION 10 PROBATIONARY PERIOD

- A. All new Regular Full Time, Casual Regular, and Casual Temporary employees employed after the effective date of this Agreement will be considered probationary employees for a period of ninety (90) continuous calendar days. The above referenced probationary period may be extended for thirty (30) days upon agreement with the Union. The Union shall not unreasonably withhold such agreement.
1. Holiday benefits coverage for probationary employees will be effective on the thirty-first (31<sup>st</sup>) day of continuous service as a Regular employee, subject to the eligibility requirements of Section 14 Holidays.
  2. Health & Welfare, Dental and Vision coverage for probationary employees will be effective on the first day of the month following completion of ninety (90) days of continuous service as a Regular Full Time employee, subject to the eligibility requirements of Section 12 Health & Welfare, Dental and Vision Plans.
  3. The provisions of the Grievance Procedure shall not be available to Probationary employees.
  4. Any probationary period interrupted by any leave of absence(s) shall automatically extend by the same number of days as such leave of absence(s).
- B. When an employee, except a Casual Temporary employee, as defined in Section 20 Seniority, has completed the probationary period he shall become a Regular employee and shall be credited with all continuous service retroactive through the date of his most recent hire for the purpose of determining the application of benefits based upon length of service, except that holidays occurring during the probationary period shall not be compensated for on a retroactive basis.

- C. Regular eligible employees who are laid off or terminated will receive payment for unused vacation pay provided for in Section 13 Vacations, and for those who are enrolled in the Employer's Group Insurance Major Medical Plan, will receive payment for unused sick leave in accordance with the standard regulations applicable to that Plan.

### SECTION 11 UNIFORMS

- A. If the Employer requires any employee to wear a uniform or costume, it will be furnished at the Employer's expense. Shoes shall be furnished at the employee's cost even if uniformity is required.
- B. Where the Employer, for safety purposes, requires the use of protective clothing, shoes, or other safety devices, they will be furnished without cost to the employees. The Union agrees to require its members to use the devices furnished.
- C. The cost of cleaning or laundering the clothing furnished under this Section to the employees shall be paid by the Employer. Such clothing, shoes, and other devices will at all times remain the property of the Employer and the employee who is issued any of these items will be fully responsible for seeing that they are properly cared for.
- D. Each employee shall be required to sign an authorization for the Employer to deduct from wages the amount of money necessary to replace the employee's Employer-furnished uniform in the event the uniform is not returned when required, or is defaced or willfully damaged. An unreturned locker key will result in a wage deduction in the amount necessary to replace the lock on an employee's locker.

An employee who willfully defaces, destroys or misuses an Employer-furnished uniform is subject to disciplinary action, including dismissal.

- E. Employees working under the terms of this Agreement will be furnished at least two (2) pair of Employer-furnished uniforms per week in the performance of their work assignment. Additional uniforms and/or a jacket will be issued as an individual may require. Such uniforms shall consist of either coveralls, overalls, pants and shirt, shop coat, costume or similar uniform, whichever in the judgment of the Employer fits into the employee's classification of work for safety, efficiency and show purposes.
- F. 1. Employer agrees to post, three (3) weeks prior to commencement, notices of intent to clear all lockers on a specified date. Such clear out shall be for the purposes of fumigation and repair of locker facilities.

2. Company property recovered during such clear out will be returned to the Costuming Department.
  3. Personal property recovered during such clear out will be identified by the name of the employee and retained for a period of three (3) months, or until such time as claimed by the employee owning such personal property, whichever occurs first.
  4. In the event the Employer deems it necessary to inspect an employee's locker, other than during pre-notified clear out periods, the following personnel shall be present when such inspection occurs; (a) The employee and/or his duly appointed Union Representative; (b) A member of management.
  5. The Employer agrees to post three (3) days prior to commencement, notices of intent to open lockers for fumigation purposes in the event of an immediate health or safety problem. A Shop Steward shall be present when such lockers are opened and inspected.
  6. The Employer may designate uniforms or costumes that may be voluntarily maintained, cleaned, or laundered by its employees.
- G. Each employee employed under the terms of this Agreement shall receive twenty (20) minutes per shift for dress and/or walk time. Employees will be released twenty (20) minutes prior to the end of their shift to compensate them for this time allowance.

#### SECTION 12 HEALTH & WELFARE, DENTAL, AND VISION PLANS

- A. 1. During the term of this Agreement, the Employer will offer Group Insurance coverage to all eligible employees, on the same basis as provided to non-bargaining unit employees (including salaried employees) at the Employer. It is understood that all employees in this unit who participate in any group insurance do so on the same basis as non-bargaining unit employees (including salaried employees) generally and that, therefore, future changes in such plans which are applicable to non-bargaining unit employees (including salaried employees) generally shall apply equally and automatically to employees covered under this Agreement. By way of example, but not limitation, changes in such plan(s) may include termination in accordance with the plan terms, substitution of, or merger with, another plan or part thereof, improvements and modifications in the plan(s), creation of new plan(s), adjustment in contributions, etc...; all subject to the condition that where the changes apply equally to non-bargaining unit employees (including salaried employees) generally, the Employer will not be obligated to bargain with the Union. Entitlement to group insurance benefits shall be determined exclusively by the plan terms. Eligible employee's coverage shall become effective no later than the first day of the

month following completion of ninety (90) days of continuous service. **Nothing contained herein shall limit the Company's ability to adjust the waiting period to reflect changes in applicable laws.**

**In the event a Federal, State, County or City law, ordinance or regulation regarding health and welfare benefits imposes requirements upon the Company to provide any new, additional or varying benefits to employees, there will be no duplication of benefits under the Company's Signature Benefits Plan or any other health or welfare benefit plan offered or paid for by the Company.**

2. Requirements Necessary to Maintain Regular Full Time Health & Welfare Benefits

Administrative process for monitoring continued eligibility of Regular Full Time employees for Disney Health & Welfare benefits.

- a. Regular Full Time employees must work the appropriate number of hours to average at least thirty (30) hours per week during the monitoring period. The monitoring period shall be a full twelve (12) month period as designated by the Employer and the appropriate number of hours to be worked is 1,560 hours. During the life of the Agreement, the Employer will notify the Union of any changes in the established twelve (12) month monitoring period. Regular Full Time employees will be notified of the monitoring period in writing.
- b. For the purpose of calculation, hours worked shall include paid benefit time.
- c. Any unpaid authorized medical leaves, personal leaves, family medical leaves, disability leaves, and workers' compensation leaves will not be counted against the Cast Member during the monitoring period as defined by the Employer.
- d. Regular Full Time employees who fail to meet the Full Time hours requirement during the monitoring period as defined by the Employer will be converted to a Casual Regular status and lose their Regular Full Time status and benefit's eligibility.
- e. Employees who are hired or converted from a Casual Regular status to a Regular Full Time status during the monitoring as defined by the Employer period will be exempt and deferred to the next monitoring period as defined by the Employer.
- f. Section 12 is meant to comply with the Patient Protection and Affordable Care Act (ACA) as it is currently written. If any changes

are made to the ACA as a whole or in part during the life of this agreement, which has any direct or indirect implication(s) on this agreement, the Employer has the right to modify the terms of Section 12 to comply with any future unforeseen changes in the law. Should the obligation to provide health care to those who are ACA eligible be lifted or altered, the Employer has the sole discretion to determine whether health care coverage will continue to be offered.

3. Eligible employees shall have an option, on an annual basis, to determine the type of Group Insurance coverage they desire.

### SECTION 13 VACATIONS

#### I. Eligibility

- A. Each Regular status employee will be eligible to accrue credits toward a vacation and shall receive a vacation in accordance with Subsection II, below.
- B. A Regular status employee is one who has completed the probationary period, in accordance with Section 10. Casual Temporary employees, as defined in Section 20 Seniority, are not eligible.
- C. Continuous service for the purpose of this Section shall not be broken by time absent on authorized sick or injury leave or by an authorized absence for other reasons not in excess of thirty (30) calendar days, provided the employee works for a period of thirty (30) calendar days following return from the authorized leave of absence.
- D. Maximum vacation allowance will be based upon the appropriate formula of credited straight time hours as set forth in Subsection II below. Payment will be at the straight time hourly rate plus any applicable shift or lead premium being regularly received at the time the vacation is taken.

- E. 1. Effective January 1, 1999, no employee shall accrue more than two (2) times their annual vacation hours. For example, if an employee is eligible for eighty (80) hours of vacation, they may accumulate a maximum of one hundred and sixty (160) hours of vacation; if

eligible for one hundred and twenty (120) hours of vacation, they may accumulate a maximum of two hundred forty (240) hours of vacation; and if eligible for one hundred and sixty (160) hours of vacation, they may accumulate three hundred and twenty (320) hours of vacation.

2. When the maximum vacation accrual is reached, an employee will cease to accrue any additional vacation time until vacation hours are taken. An employee will again begin to accrue vacation once he or she is below their maximum. Vacation accrual is not retroactive to the beginning of the calendar year.

J. During the course and scope of the 1998 Maintenance Agreement negotiations, the Employer agreed to establish a 401(k) Plan for eligible bargaining unit employees. The Employer agreed to implement the 401(k) Plan on June 1, 2000, on the following basis:

1. Eligible employees may contribute up to fifty (50%) percent of their annual straight time wages on a pre-tax basis, up to the maximum as permitted by Federal Law. Eligible employees age 50 or older can make additional contributions as permitted by Federal Law. The Employer will make a matching contribution equal to one-half (½) of the first four (4%) percent of the employee contribution, for a maximum Employer contribution of two (2%) percent of straight time wages up to the IRS maximum. The Employer matching funds may be invested in any of the investment options(s) available under the Disney 401(k) plan.

Effective January 1, 2012, the Company will make a matching contribution equal to three-quarters (¾) of the first four (4%) percent of the employee contribution, for a maximum Company contribution of three (3%) percent of straight time wages up to the IRS maximum. The Company matching funds may be invested in any of the investment option(s) available under the Disney 401(k) plan. If any collectively bargained unit at the Disneyland Resort receives the increased Company matching contribution (exactly as

detailed above) effective before January 1, 2012, bargaining unit employees covered under this collective bargaining agreement will also receive the increased Company matching contribution on the same effective date.

2. Employees eligible to begin making contributions to the 401(k) plan are defined as bargaining unit employees over the age of eighteen (18) who have completed ninety (90) days of service.

Employees eligible to begin to receive the matching contribution from the Employer, as outlined in J.1. above, are defined as bargaining unit employees who have completed at least one (1) year of service. Employees receiving matching Company contributions are immediately vested in the matching Company contributions.

3. Employees hired on or after June 1, 2000, shall not be eligible to join or participate in the Disneyland and Associated Companies' Retirement Plan, or be eligible for Employer contributions into any Union Pension Plan or Trust.

Eligible employees hired prior to June 1, 2000, will remain eligible for participation in the Disneyland and Associated Companies' Retirement Plan according to the Plan eligibility and requirements, or for contributions into a Union Pension Plan or Trust, where applicable by specific Union Agreement.

4. The Employer reserves and retains the right to administer the Plan internally or through the use of an outside administrator, to change or modify the investment choices available to the participants of the Plan, to charge an administrative fee directly to participant accounts, to charge transaction fees directly to a participant account (for example, loan setup and ongoing processing fees), to modify the Plan as necessary to remain in compliance with applicable law, and to make any other design decision, change, or modification to the Plan deemed appropriate by the Employer, with the exception of vesting requirements, eligibility for participation and Employer matching contributions.

#### SECTION 19 JURY SERVICE

- A. Whenever a Regular status Regular Full Time or Regular Part Time employee covered by this Agreement with one (1) or more years seniority is summoned for Jury Service and makes prompt application to his Department and is then excused from regularly scheduled work and reports for Jury Service and furnishes the Employer with a certification of Jury Service, signed by an official of the court reflecting Jury pay received, he shall be paid the difference between Jury pay received and the amount he would have

normally received for his regularly scheduled shift at his regularly scheduled straight time hourly rate as provided below.

- B. Any employee who is called for Jury Service and loses time from work, but is not accepted, released or his services are terminated, must report to his job promptly provided that three (3) hours or more of work time remains in his regularly scheduled shift.
- C. An employee who is working on either the second or the third shift at the time of receiving official notice to report for active Jury Service shall promptly notify his supervisor of the fact. The employee shall then as soon as possible be temporarily rescheduled to work on the first shift for the duration of his period of Jury Service. In the event that the employee is requested to be on Jury Service for less than five (5) days, the employee will be rescheduled to work on the first shift for those days only. When an employee is notified that his Jury Service obligation has expired, he shall promptly notify his supervisor of the fact. At least eight (8) hours of non-work time shall elapse between the old and the new shift.
- D. Jury Service pay shall not exceed twenty (20) working days in any one calendar year.

#### SECTION 20 SENIORITY

- A.
  - 1. The principles of seniority shall be observed in transfers, promotions, layoffs and recalls. The parties hereto recognize that there may be certain deviations from those principles. The Employer shall discuss any proposed deviations with the applicable Union.
  - 2. It is further agreed that the seniority principle as herein outlined shall be by job classification and shall not apply where employees are being transferred and/or promoted from a bargaining unit classification to a non-bargaining unit classification. When this occurs the employee shall maintain his classification seniority for a period of fifty-two (52) consecutive payroll weeks for purposes of transferring back to such classification. The above referenced fifty-two (52) weeks may be extended by mutual agreement of the parties.
  - 3. Any dispute on the application of the seniority principle shall be subject to the grievance procedure.
  - 4. Employees on layoff for twelve (12) months or less who are recalled will maintain their seniority date and their continuous service date for purposes of Employer benefits.
  - 5. When an employee is transferred to another classification and

thereafter is laid off, such employee may exercise his seniority to the extent of his length of service in any prior job classification to return to that classification.

6. With regard to shift assignments, scheduled days off **and scheduled overtime**, the Employer will consider the principles of seniority and, under no circumstances, will shift assignments or scheduled days off be used as a form of disciplinary action against an employee.

Seniority shall be considered in the selection of working leads and general leads. However, the final selection shall be at the discretion of the Employer.

7. With regard to the applications of seniority as set forth in this Section 20, where skill and ability, are relatively equal, seniority will be utilized as the final determinative factor.
8. The Employer shall post job vacancies for two (2) weeks before selecting candidates per the terms of the applicable seniority provisions (e.g. seniority, skills and abilities, etc.). The final determination as to employee assignment shall be made at the sole discretion of the Employer in conjunction with other applicable sections of Section 20 Seniority.

B. 1. Group Classifications

It is recognized that the total number of hours of work in the workweek are divided into two (2) Group Classifications:

Regular Full Time: Regularly scheduled to work a minimum of thirty (30) hours per week up to forty (40) hour per week. Such hours shall be worked in five (5) days of the workweek or four (4) days of the workweek when assigned to a four (4) day, ten (10) hour per day workweek, as determined by the Employer. **Reference in this section shall not supersede Section 35. II. Workday and Workweek.**

Casual Regular: Regularly scheduled to work less than thirty (30) hours per week, subject to need and availability.

\*A Casual Regular employee may work in excess of thirty (30) hours per week and still maintain the Casual Regular status provided that the employee is not regularly scheduled to work five (5) days in the workweek.

2. A Regular employee who accepts an assignment to a higher group classification, other than a temporary assignment, shall be given a new seniority date for that group classification which is identical to the date of conversion to the new classification.
  3. A Casual Regular employee who has been converted to Regular Full Time, as in Subsection B.2., preceding, may in lieu of layoff accept Casual Regular employment with retention of his or her Regular Full Time rate and seniority date for the purpose of reclaiming a Regular Full Time position. Regular Full Time employees who have held such position for six (6) months or longer and elect to accept Casual Regular employment in lieu of layoff shall have precedence over those employees having a Casual Regular seniority date. Regular Full Time employees who have held such position for less than six (6) months and elect to accept Casual Regular employment in lieu of layoff shall utilize their previously held Casual Regular seniority date for scheduling purposes.
  4. A Regular Full Time employee, other than a temporary Regular Full Time employee, may in lieu of layoff accept Casual Regular employment with retention of his Regular Full Time rate and seniority date and shall have precedence over those employees having Casual Regular seniority date.
  5. Providing an opening exists, a Regular Full Time employee may request a Casual Regular status other than under the conditions of Subsection B.3., preceding, and effective with the change, will be assigned the employee's Casual Regular seniority date last held within the Group Classification requested, except that if the employee did not previously have a Casual Regular employment status, the employee's Regular Full Time seniority date shall be retained in the Casual Regular position.
- C.
1. The summer season is deemed to begin with the week containing May 1<sup>st</sup> and ends on the last Sunday in September.
  2. The Christmas season is deemed to begin on Monday two (2) weeks preceding the week which contains Christmas Day (December 25<sup>th</sup>), and ends on the Sunday following New Year's Day (January 1<sup>st</sup>).
  3. The Easter season is deemed to begin on the weekend (Friday, Saturday and Sunday) preceding Easter Sunday and ends on the next Sunday that follows Easter Sunday.
  4. Casual Temporary employees shall not be utilized longer than one

hundred and eighty (180) consecutive calendar days as a Casual Temporary employee or shall be converted to regular status. Further, a Casual Temporary employee shall be eligible for the provisions of Section 14 Holiday Pay, following thirty-one (31) consecutive days on the payroll as a Casual Temporary employee. In the event that a Casual Temporary employee is converted directly to a regular employment status, the time worked as a Casual Temporary employee shall count towards the next step of the rate progression as outlined in Section 35 VI.

5. A Casual Temporary employee, who is converted to Regular status, shall receive a seniority date which is identical with his or her conversion date.
6. Casual Temporary employees shall be defined as those hired primarily to supplement the Regular personnel during the Christmas, Easter, and summer seasons, or when Regular personnel are not available at straight time hours. Casual Temporary employees shall not be used to circumvent promotion into Regular job openings.
7. Casual Regular employees shall be defined as those who are hired primarily to work weekends and private parties.
8. Seniority shall be separate for Regular Full Time, Regular Part Time and Casual Regular group classifications.
9. The Employer shall have full selectivity relative to the layoff and rehire of a Casual Temporary employee.
10. Regular employees on lay off for less than fifty-two (52) weeks will be given the first opportunity at Casual Temporary work, but must be able to report to work within forty-eight (48) hours of the Employer's call for such work, otherwise the Employer may hire Casual Temporary employees from other sources. Time on layoff or hours worked as a Casual Temporary employee shall not count towards the next step of the regular rate progression as set forth in Section 35.

In the event that a Regular employee is on layoff for a period of fifty-two (52) weeks and therefore no longer retains recall rights, any time worked as Casual Temporary employee during the layoff period shall be added to the fifty-two (52) week period to determine the end date of an employee's recall rights.

## SECTION 21 SHOP STEWARD

- A. The Union shall have the right to designate Shop Stewards. The local Union shall, in writing, notify the Labor Relations office of the Employer as to the identity of the designated Shop Stewards. Shop Stewards shall have the right to receive, but not to promote complaints or differences and to discuss and assist in the adjustment of the same with the appropriate supervisor. The Employer will not discriminate against the Shop Steward in the proper performance of his Union duties provided that such duties do not unreasonably interfere with his regular work or with the work of other employees and he shall not leave his work station without first notifying his appropriate supervisor as to his intent, the reason therefore, where he can be reached and the estimated time he will be gone.
- B. Where the complaint or difference involves more than one (1) employee, it must be presented to Management by the Shop Steward alone for the employees involved unless presented outside of regular working hours, or unless the Division Head involved gives permission for other employees to attend such presentation.
- C. The Employer agrees, upon discharge of an employee, to promptly notify the Shop Steward. In the event that a Shop Steward is to be laid off, the Employer will give advance notice of this fact to the appropriate Union, either verbally or in writing, and will give advance notice to the Union of the discharge for "just cause" of a Shop Steward if possible.
- D. A Shop Steward will not act simultaneously as lead but shall make a choice as to the position desired, except for instances in which a Steward is named to act as lead temporarily or as an alternate lead. This clause will not affect those individuals serving as Steward and lead simultaneously prior to that effective date.
- E. An employee may insist that a Steward be present during an investigatory conference with supervision.

## SECTION 22 SUBCONTRACTING

During the terms of this Agreement, the Employer agrees that it will not subcontract work for the purpose of evading its obligations under this Agreement. However, it is understood and agreed that the Employer shall have the right to subcontract when: (a) where such work is required to be sublet to maintain a legitimate manufacturers' warranty; or (b) where the subcontracting of work will not result in the termination or layoff, or the failure to recall from layoff, any permanent employee qualified and classified to do the work; or (c) where the employees of the Employer lack the skills or qualifications or the Employer does not possess the requisite equipment for carrying out the work; or (d) where because of size, complexity or time of completion it is impractical or uneconomical to do the work with Employer equipment and personnel.

## SECTION 23 MISCELLANEOUS

- A. **Military Leave.** The Employer agrees in principle that an employee who must fulfill a military obligation will be given leave necessary to fulfill that obligation exclusive of the employee's right to take vacation time with pay.
- B. The Employer agrees to give each individual signatory Union copies of all side agreements, letters of understanding, etc., pertaining to that specific Union.
- C. **Safety.** Representatives of the Employer and the Union shall cooperate in the enforcement of all rules, regulations and practices to further safe working conditions. The Employer will hold safety meetings on Employer time with required attendance by every employee covered by this Agreement as a means of improving safety and educating employees in safe practices.

Where the Employer, for safety purposes, requires the use of protective clothing, shoes, or other safety devices, they will be furnished without cost to the employees. The Union agrees to require its members to use the devices furnished.

Any employee who observes an unsafe or hazardous condition should immediately report such condition to his/her immediate Supervisor, an hourly Safety Representative, his/her Working Lead, his/her Shop Steward, or Safety Services.

Upon receipt of notification of a potential safety/hazard condition the Employer will take prompt action to determine what corrections, if any, are necessary to insure a safe working condition.

- D. Each local Union signatory to this Agreement may agree to sign a separate training program with the Employer similar in nature to the training program currently in affect with the Electricians Union. The purpose of each individual training program is to train interested individuals in the various procedures, techniques, and equipment that is unique to the maintenance operation of Disneyland Park/Disney California Adventure. The Employer shall not be required to make contributions into any Union(s) apprenticeship fund as a condition of the establishment of any separate training program.
- E. Employees receiving written safe work practices and/or training information or materials from the Employer may be required to sign for receipt of such information and/or material in order to document that employees have been given said information and/or materials.
- F. **The Employer may implement workplace safety and wellness initiatives and other programs contributing to the health and well-being of employees. Upon request, the Company will bargain over the effects on working conditions, if any, cause by such implementation.**

- G. In the event the Company invests in new equipment, the Company will provide training to the current employees for the equipment deemed necessary for the job classification. Such training will be provided to the employees at the applicable rate of pay.**

#### SECTION 24 WAIVERS

The Unions agree that in the event of any violation by any signatory Union of either Section 1 of this Agreement they will in good faith inform their members that such action by the other Union is a violation of this Agreement and instruct their members that they are to continue to perform work for the Employer in the usual manner. After they have done so no signatory Union or Council shall be liable for damages in any violation of the provisions of Section 1 of this Agreement so long as they do not assist or participate in such violation.

#### SECTION 25 PAYROLL DUES DEDUCTION; CHECKOFF

The Employer agrees to provide a payroll dues deduction or checkoff procedure for each Union that notifies the Employer in writing that it desires to utilize this process. For each Union that so notifies the Employer, the Employer agrees to withhold from the first pay of each month the dues and initiation fees of the appropriate Union for each employee who signs a written authorization for such deduction. The money so withheld will be paid over promptly to the Union's financial officer certified to the Employer in writing. The Unions will give the Employer a written statement no later than January 31<sup>st</sup> each year, identifying the amount of dues or initiation fees to be withheld and agree that the Employer will suffer no loss because of any withholding from the employees' pay pursuant to this Section. The Company will implement such changes within ninety (90) days of receipt of written notice.

In the event this agreement expires, and no extension is agreed upon, the Company's obligation to provide the dues/fees collection and remission services (hereafter referred to the "Services") set out in Section 25 will terminate if the Council does not accept the Company's offer of an extension which includes the following:

- a. Retroactive payment to employees of any subsequently negotiated increases to base hourly wage rates during the term of the extension;
- b. Subsequently negotiated increases to base hourly wage rates shall be effective the day following the original date of expiration of the Agreement through the term of the extension;
- c. Payment of retroactive base hourly wage increases shall be based on each employee's hours paid between the original date of expiration of the Agreement and through the term of the extension (precise method of calculation subject to negotiation);

Only under the following scenario will the Company's obligation to provide the dues/fees collection and remission services terminate.

- The Company offers the Council an extension that includes the above stipulations and the Council denies such an extension.

In the event a successor agreement is ratified, the Company is under no obligation to collect and/or remit retroactive dues/fees for the period of time that dues collection was suspended.

#### SECTION 26 DURATION

- A. This Agreement and any amendment or supplement hereto shall be in full force and effect from upon ratification to **May 31, 2023**, and from year to year thereafter, subject to the right of either party to terminate the same at any anniversary of **June 1st**, following **June 1, 2023**, upon the giving of written notice of termination not later than sixty (60) days next preceding the effective date of such termination.
- B. Either party shall have the right to open this Agreement, for revision or amendment without termination, upon giving of sixty (60) days written notice of intention to revise or amend prior to the expiration of the Term. Such notice of reopening shall state the Sections or portions of this Agreement on which revision or amendment is desired and set forth in detail such desired revision or amendment. The party receiving such notice shall have a period of ten (10) days thereafter in which to serve its reply, stating the Sections or portions of this Agreement which it desires to amend or revise and setting forth in detail such desired revisions or amendments. Except by mutual agreement, negotiations on all such proposed amendments or revisions shall commence no later than **April 15, 2023**, or on **April 15th** of any subsequent year, providing the steps for revisions or amendment have been timely instituted in accordance with this paragraph.
- C. It is agreed that Disneyland Park/Disney California Adventure and Unions signatory to this Agreement shall be and each of them are hereby foreclosed from raising issues pertaining to wages and working conditions during the period commencing upon ratification, and ending **May 31, 2023**, or thereafter, except as provided in Section 9, preceding.

## SECTION 27 GENERAL SAVINGS CLAUSE

It is not the intent of either party hereto to violate any laws or any rulings or regulations of any Governmental authority or agency having jurisdiction of the subject matter of this Agreement and the parties hereto agree that in the event any provision of this Agreement is held or constituted to be void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of the Agreement shall remain in full force and effect, unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement.

## SECTION 28 QUALIFICATIONS

- A. That each of the parties hereto warrants and agrees that it's under no disability of any kind, whether arising out of its compliance status within the meaning of the National Labor Relations Act, as amended, or out of the provision of its Articles of Incorporation, Constitution, By Laws, or otherwise, that will prevent it from fully and completely carrying out and performing each and all of the terms and conditions of this Agreement, and further, that it will not by the adoption or amendment of any provision of its Articles of Incorporation, Constitution, or By-Laws, or by contract or by any means whatsoever take any action that will prevent or impede it in full and complete performance of each and every term and condition thereof. The warranties and agreements contained in this paragraph are made by each of the signatories hereto on his own behalf and on behalf of each organization for which it is acting hereunder. The individuals signing this Agreement in their official capacity and signatories hereto hereby guarantee and warrant their authority to act for and bind the respective parties or organizations whom their signatures purport to represent, and the Local Unions on whose behalf the said parties are signing the said Agreement.
  
- B. This Agreement contains all of the covenants, Stipulations and provisions agreed upon by the parties hereto, and no agent or representative of either party has authority to make and none of the parties shall be bound by nor liable for any statement, representation, promise, inducement or agreement not set forth herein; that any provision of the working rules of the Unions, with reference to the relations between the Employer and its employees, in conflict with the terms of this Agreement shall be deemed to be waived and any such rules or regulations which may hereinafter be adopted by the Unions shall have no application to the work hereunder.

SECTION 29 SICK LEAVE

I. Regular Full Time

- A. Each Regular Full Time employee will accrue, from the beginning of his/her employment, credits toward sick leave in accordance with the Regular Full Time formula below of paid hours worked as described hereinafter. After completing ninety (90) days or more of continuous service, he/she will be entitled to use accrued sick leave. Eight (8) hours of sick leave accrual shall be accrued for each two hundred and forty (240) hours worked, up to a maximum of fifty-six (56) hours in any twelve (12) month period. After the first ninety (90) days of employment, sick leave benefit may be used at any time after accrual without regard to the anniversary year.
- B. Unused sick leave may be accumulated up to a maximum of three hundred (300) work hours. Subject to the amendment outlined in the next following paragraph, and also paragraph D. of this Subsection, sick leave may be used only for absences due to illness or injury (or other reasons for which employers must provide sick time under State law), except that upon termination and after ninety (90) days of continuous employment an employee with unused sick leave credits will be paid such credits at the employee's regular straight time rate. Employees will not be entitled to sick leave pay for illness occurring during vacation or on days on which they were not scheduled to work.

An eligible Regular Full Time employee who accrues in excess of three hundred (300) hours of unused sick leave will, when requested, be granted additional paid vacation hours equaling the amount of excess hours. Sick leave credits will be accrued on a floating calendar year basis.

- C. The formula for computing Regular Full Time sick leave is as follows:

FORMULA

After 1440 hours,	48 hours sick leave
After 1200 hours,	40 hours sick leave
After 960 hours,	32 hours sick leave
After 720 hours,	24 hours sick leave
After 480 hours,	16 hours sick leave
After 240 hours,	8 hours sick leave

- D. Upon the request of an eligible Regular Full Time employee, the Employer shall provide for payment of up to all accrued Sick Leave in excess of ninety-six (96) hours on an annual basis. Such requests for payment of accrued Sick Leave will be accepted two (2) times per calendar year during any payroll week of the calendar year.

A Casual Regular/Casual Temporary employee will accrue one (1) hour of sick leave for each thirty (30) hours paid, up to a maximum of forty-eight (48) hours in any twelve (12) month period. Sick leave benefit may be used up to a maximum of twenty-four (24) hours in any calendar year without regard to anniversary year.

## III. General Provisions

- A. Sick leave will be paid for the number of hours in the employee's regularly scheduled shift at the time the sick leave was taken, except as set forth in paragraph C of this Subsection. "Continuous Service" for the purpose of this Section shall be computed in the same manner as for vacation.
- B. In order to receive sick leave pay the employee must file a request therefore on the appropriate form and submit it to his or her supervisor. If three (3) or more consecutive regularly scheduled shifts of sick leave are applied for, the Employer may request a physician's written statement certifying the nature and length of the illness and if so requested must accompany the request for sick leave pay. The Employer may require proof of illness in any case if it desires and an employee not furnishing such proof will not be entitled to sick leave pay.
- C. In the event an employee incurs a non-occupational illness while at work and employee cannot complete his or her shift, the employee may apply under the provisions of paragraph B of this Subsection for sick leave pay covering the unworked balance of his or her regularly scheduled shift, in units of one (1) hour.
- D. Sick leave benefits as outlined herein shall be paid to eligible employees until such time as State Disability or Workers' Compensation benefits begin. When State Disability or Workers' Compensation benefits begin, any accrued sick leave benefits shall be integrated with State Disability or Workers' Compensation benefits, paying the difference between State Disability or Workers' Compensation benefits, and the employee's full wages for time missed from work until such time as the employee has been released from Disability and returns to work, or until such time as the sick leave benefits have been used up, whichever occurs first.

- E. Eligible employees who miss scheduled work shifts to care for an ill or injured dependent may use up to three (3) sick leave days per year as personal time off. Upon request, the employee must provide a physician's written statement certifying the nature and length of the illness of the family member. Employees who fail to provide such written notice will not receive sick leave pay.

### SECTION 30 NEW CONSTRUCTION

It is understood that, from time to time, Maintenance employees under this Agreement will become involved in Disneyland Park/Disney California Adventure projects, as defined in C below, which are new construction in nature. When this occurs, the Maintenance employee shall be treated as follows:

### B. Failure to Cross Picket Line - Violation of Agreement

### C. Union's Responsibility to Prevent Work Stoppage, Strike or Disruptive Activity

The Union shall not encourage or condone a work stoppage, strike or disruptive activity on the part of bargaining unit employees at Disneyland Resort and shall undertake all possible steps to prevent or to terminate any strike, work stoppage, or disruptive activity on the part of those bargaining unit employees. No employee shall engage in activities that violate this Section. Any employee who participates in or encourages any activities which interfere with the normal operation of Disneyland Resort shall be subject to disciplinary action, including discharge. The Union shall not be liable for acts of employees for which it has no responsibility. The failure of the Employer to exercise this right in any instance, shall not be deemed a waiver of this right in any other instances, nor shall the Employer's right to discipline all employees for any other cause be in any way affected by this paragraph C.

### D. Disputes With Concessionaires

Disputes between the Unions party hereto and any concessionaire operating in Disneyland Resort shall be so handled as to not interfere with the Employer's business or the business of any other concessionaire not a party to such disputes. No picketing or concerted action against the concessionaires will be conducted at Disneyland Resort, or around the entrance or exits. "Concessionaire" as used herein includes a lessee, licensee, contractor, sub-contractor. In the event any other organization pickets around Disneyland Resort, the Unions signatories hereto agree to use their best efforts to see that such picket line does not affect the operations of the Employer or concessionaires who are not involved in the dispute.

SECTION 32 FOUR (4) DAY, TEN (10) HOUR/DAY WORKWEEK

- A. The Employer shall have the right to establish a four (4) day, ten (10) hour workweek in any and all departments and/or locations as determined by the Company. - B. The Employer shall give employees assigned to a four (4) day, ten (10) hour workweek, three (3) days' notice of such assignment. The three (3) day notice shall include the day notice is given.
- C. The Employer will first consider volunteers for assignment to a four (4) day, ten (10) hour workweek. In the event that not enough employees volunteer for the assignment, the principles of seniority shall be observed, where skill and ability are relatively equal, as determined by the Employer.
- D. All employees assigned to a four (4) day, ten (10) hour workweek shall be scheduled for three (3) days off in the workweek, at least two (2) days of which will be consecutive days off.
- E. All time worked over ten (10) hours in any one (1) day or forty (40) hours in any one (1) workweek shall be compensated for at the rate of one and one-half (1½) times the employee's regular rate.

4. In the event a holiday falls on an employee's regular day off, and the employee is required to work, he shall be paid at two (2) times his rate of pay for all hours worked.

### SECTION 33 DRUG AND ALCOHOL ABUSE POLICY

1. The Employer and the Union recognize that it must endeavor to provide safe and efficient operations for the protection and benefit of the general public, its guests and its employees. As part of its effort to achieve that goal, it must require that its work be performed by employees who do not use illegal drugs or misuse alcohol as follows. For purposes of this Agreement, the terms "drugs" or "drug tests" shall include both drugs and alcohol, as appropriate.
2. Bargaining unit employees will be subject to drug testing under the following circumstances:
  - (a) Drug tests for bargaining unit employees may be required where there is an objective reasonable suspicion that an employee has an in-system presence of drugs on the job. For purposes of this Agreement, the terms "employee" or "bargaining unit employee" includes not only persons employed in positions covered by the collective bargaining agreement, but also persons being recalled into such positions.
  - (b) Drug tests for bargaining unit employees may be required as part of a post mishap investigation in cases where:
    1. The individual(s) subject to testing is directly linked to the mishap.
    2. The mishap resulted in death, injury requiring medical treatment other than basic first aid, or property damage estimated to exceed \$5,000.
    3. Testing associated with a mishap will take place as soon as possible, under the circumstances.
  - (c) In addition to 2(a) and (b) above, any employee who voluntarily comes forward and/or admits to the use of drugs will not be subject to immediate discipline, but will be referred to the Employer's Employee Assistance Program (EAP) for rehabilitation. Said employee shall be placed on a leave of absence (not to exceed the time limits as outlined in Section 17 Leave of Absence) until his rehabilitation program is completed or until he provides medical documentation that his presence on the job will not jeopardize his own health and safety, or the health and safety of others.

- (d) In the event that any government agency duly concerned with Disneyland Park/Disney California Adventure advises the Employer that employees in specified classifications will be required to undergo job certification physical examinations, including drug tests as a condition of future employment, the Union shall be given immediate notice of any such requirement or proposed requirement. Such testing shall be conducted in accordance with the procedures established by this Agreement and shall not commence until the Union and the Employer have had a reasonable opportunity to discuss the impact of the government directive.
  - (e) Employees classified in those positions that have been identified and agreed to by the Employer and the Union will be subject to random drug testing.
3. An employee will not be tested under Section 2(a) above unless his conduct or other related circumstances provide an objective reasonable basis to believe that the employee may have ingested drugs or alcohol and/or is suffering from impairment of some sort while on the job site. (An objective reasonable basis would include, but not be limited to, slurred speech, unsteady gait, glazed eyes, dilated pupils, odor of alcohol, and/or erratic behavior.) Such observation will be confirmed by another member of management wherever possible.
  4. Any employee directed for testing shall be entitled to request the presence of a Union representative in pretest meetings with management. Provided a Union representative has been requested, no specimen will be collected until the Union representative can discuss the matter with management and/or the employee. The Union agrees that the procedures described in Sections 3 and 4 shall not operate in a manner that will impede timely collection of a biological specimen. Refusal to provide a biological specimen will result in immediate discharge without an opportunity at a later date to reconsider/retract the refusal.
  5. Any employee who tests negative to any drug test under this Agreement (other than random tests as a follow up to rehabilitation) shall be compensated for any scheduled hours lost, at the appropriate wage rate. Hours lost under such circumstances shall be treated as time worked for purposes of overtime premium eligibility.
  6. Specimen collection for a drug test will be accomplished in a manner compatible with employee dignity and privacy. Specimen collection shall be accomplished at the laboratory facilities utilized by the Employer, currently CDT on-site mobile testing or St. Joseph Hospital. There will be no strip searches or opposite sex observation. In the usual case, the Employer will not observe specimen production, but the Union agrees that specimen production may be closely monitored in those cases where the Employer has an objective reason to believe that the employee may attempt to contaminate a test specimen.

7. Test specimens shall be sent only to Laboratory facilities certified by an appropriate federal or state agency. If a dispute should arise over the selection of drug test Laboratories, such dispute shall be subject to the grievance and arbitration procedure. The Laboratory(s) selected must, upon request, identify the drugs tested for, the methods used, the manufacturers of the test, the analytical limits and levels used, the methods of reporting results and the chain of custody procedures used to produce forensically acceptable test results. To be qualified under this section, the laboratory must participate in a program of "blind proficiency" testing where they analyze samples sent by an independent party. The laboratory(s) selected will make such results available to an authorized representative of the Employer and the affected employee. At the employee's request, the Manager of Labor Relations, will report test results to the Union Business Manager. All samples will be tested twice. The first test may be a screening test, but positive screen test results may be confirmed by the Gas Chromatography/Mass Spectrometry (GC/MS) or an equivalent scientifically accepted method of confirmation. All final positive tests results will be reviewed by a toxicologist or a physician prior to release and only confirmed results will be reported to the Employer.

8. The standard drug test thresholds for positive screen and GC/MS confirmation tests shall be the same as those called out in the Department of Transportation Regulations.

Any dispute over the acceptability of such alternative test methodologies shall be resolved through the grievance and arbitration procedure.

9. The laboratory shall preserve a sufficient aliquot specimen as to permit independent confirmatory testing by the Union and follow up retesting at the request of the Union or the Employer. The laboratory shall endeavor to notify the Employer and the Union of positive test results within two (2) working days after receipt of the specimen. The Union or Employee may request a retest within three (3) working days from notice of positive test result. Additionally, or as an alternative, the Union may have the sample tested at a certified laboratory of its choice. Should any test result be negative, the Employer and the Union may jointly select a third certified laboratory and have the sample tested. The results of the various tests will be considered by the Employer in determining the appropriate disciplinary action.

10. Initial tests and retests requested by the Employer will be paid by the Employer; costs of retests for reconciliation will be split between the employee and the Employer. In the event the Employer test is proven to be a false positive, the employee shall be reimbursed for cost of test procedures paid for by the employee.

11. The drug test laboratory and the specimen collection facility must: establish and maintain a forensically acceptable chain of custody.

12. When required, alcohol testing will be conducted using breath samples although blood samples may be required under exceptional circumstances. Blood samples will be taken at an appropriate medical facility. Where employees are required under this policy to submit samples for alcohol testing, the medical facility and laboratory will use the same or equivalent chain of custody procedures and exercise the same or an equivalent level of professional care and scientifically accepted standards and procedures in the collection and testing of samples for the presence of alcohol as with urine samples for the presence of drugs. For the purposes of this policy, if a test reveals the presence of alcohol at a level of .08% or more by weight, it shall be presumed that the employee has violated this policy. If the test reveals the presence of alcohol in excess of .05% by weight, but less than .08%, the results of the test will be considered along with all other relevant, information (e.g. employee conduct, speech, performance, etc.) in determining whether the employee is in violation of this policy. If a test reveals the presence of alcohol of less than .05% by weight, it shall be presumed that the employee is not under the influence of alcohol in violation of this policy.
13. Test results shall be communicated by the laboratory to the Employers medical officials or Manager of Labor Relations. The Employer shall be responsible for maintaining confidentiality of test records and test results will be communicated to job site management strictly on a "need to know" basis. Employee drug test records shall not be released outside the Disneyland Park/Disney California Adventure medical department unless required by administrative action initiated by the employee or the Union. The employee shall be entitled to written notification of positive drug test results. Copies of such reports will be provided to the Union when authorized by the affected employee.
14. When and if it becomes necessary to impose discipline for drug related conduct or job performance, discipline will be judged by the contractual just cause standard and will be subject to the grievance/arbitration procedure. Except to the extent the employee(s) withholds consent as to particular documents personal to him, the Employer agrees to provide the Union with whatever documentation or information the Union reasonably requires to process the grievance and/or arbitration. By establishing this drug policy, neither the Employer nor the Union waive any legal rights. The parties agree that this drug policy shall not diminish the rights of individual employees under state or federal law relating to drug testing.
15. The Employer recognizes that employees have a right to privacy and that any adverse action taken against an employee for off-duty conduct shall take into account the employee's right to privacy, the impact of the employee's conduct on his job performance, and the Employer's image and reputation. Any disciplinary action for such drug related conduct will be subject to the grievance procedure with respect to any alleged off-duty related conduct. The Employer will attempt to balance the employee's right to privacy in his off-duty time with other legitimate

job- related concerns in weighing the contractual property of disciplinary action.

16. Subsequent to the circumstances set forth in 2a, b, and c, above, random drug testing of employees will be permitted only as a follow up to rehabilitation or after disciplinary action has been imposed. Such random drug testing will be allowed for a reasonable period of time after rehabilitation or disciplinary action has been imposed, not to exceed one (1) year.
17. The Union is not responsible for ascertaining or monitoring the drug free or alcohol free status of any employee or applicant for employment.
18. The Employer agrees to hold harmless, and indemnify, the Union from any liability that may be incurred as a result of the Employer's drug and alcohol program, including any chemical testing of employees or applicants for employment.

- I. Employees on leaves of absence generally are not eligible for bereavement leave.
- J. Should the death of an employee's eligible family member occur while an employee is on vacation, vacation may be changed to include, or be replaced by, bereavement leave, at the request of the employee.

SECTION 35 CLASSIFICATIONS, WAGE RATES AND SPECIAL WORKING

**Employees must report to work for each scheduled shift, be on time and remain for the full shift. Absenteeism and tardiness may subject the employee to disciplinary action in accordance with the Disneyland Resort attendance policy. The Company will provide the Union notice of any change to the attendance policy at least sixty (60) days prior to implementation. Upon the Union's request, the Company will meet and confer in good faith and will give due consideration to the Union's expression of concerns and suggestions for any change to the attendance policy. If requested, the Company will bargain over the effects on working conditions if any, caused by such implementation or change to the attendance policy. Any such effects, however, shall not alter or limit the Company's right to implement the policy change sixty (60) days after notice to the Union.**

Employees who work on the first of the two (2) of their respective two (2) scheduled days off in the workweek shall be paid at the rate of one and one-half (1½) times their regular straight time rate, and employees who work on the second of their respective two (2) scheduled days off shall be paid at double their regular straight time rate, except that when a bonafide change in days off is to be made, the employees two (2) new consecutive days off shall be effective in the workweek following the workweek in which the old days off were last subject to the overtime provisions.

Re: Disney's California Adventure/Downtown Disney

Addendum to 1998 Maintenance Agreement at Disneyland®

Dear Gentlemen:

As we have discussed, the Company is currently constructing and will be operating a new and separate entertainment facility, called Disney's California Adventure ("DCA"), on the property adjacent to Disneyland®. For the purposes of this Addendum, Disney's California Adventure shall be defined as the new "Theme Park," and Retail, Dining, and Entertainment Complex known as "Downtown Disney." Neither this Addendum, nor the Maintenance Agreement shall pertain to "Disney's Grand Californian Hotel", Disney's Paradise Pier Hotel, or the Disneyland Hotel. Additionally, this Addendum shall not pertain to any other Employer present in or around DCA, including other Employers in the Theme Park or Downtown Disney. To provide for the efficient staffing at DCA, and to promote stability and harmony between the Company and its employees represented by the Union, we have agreed to certain terms and conditions of employment regarding employees assigned to DCA who are working in the job classifications in Exhibit "A" in this Agreement.

This letter will summarize those terms and serve as an Addendum to the 1998 Maintenance Collective Bargaining Agreement at Disneyland® ("1998 Maintenance Agreement"), as modified in attached Exhibit "B", between Disneyland®, Division of the Walt Disney World Company ("Employer" or "Company"), and the Disneyland® Craft Maintenance Council, and the International Unions, and the Building and Construction Trades Council of Orange County AFL-CIO, and Signatory Local Unions or District Councils, whose names are subscribed hereto, (collectively referred to as the "Union") and who have through their duly authorized representatives executed this Addendum Agreement.

## 1. Recognition

Recognizing that many, if not most, of the craft maintenance council employees working at DCA have or will come from Disneyland® and are represented by the Union, the Employer, for itself alone and no other Employer, agrees to recognize the Union as the exclusive collective bargaining agent with respect to wage rates of pay, hours of employment, and specific terms and conditions of employment for its employees at DCA, and no other facility, who are working in the job classifications contained in Exhibit "A" to this Agreement.

## 2. Hiring of Employees

Although it is expected that the initial complement of employees at DCA will come from Disneyland®, the Union agrees that the Employer may staff DCA from any source, at the Employer's sole discretion, including the assignment of employees covered under the 1998 Maintenance Agreement at Disneyland® and successor Agreements, and with new hires.

With regard to the staffing of DCA with regular employees employed at Disneyland® under the terms and conditions of the 1998 Craft Maintenance Agreement the following procedure is established and agreed:

- a) From the date this addendum is signed and prior to January 1, 2001, the Employer shall provide a method for current Disneyland® Maintenance employees to express an interest in working at DCA under the terms and conditions of Attached Exhibit "C".
- b) Once employees have expressed an interest in assignment to DCA under the terms and conditions of attached Exhibit "C", the Employer shall determine if there are sufficient qualified employees available from this list to fill the permanent employment needs at DCA, and will select and assign qualified employees from this list to DCA prior to assigning any other Disneyland® Maintenance employee to work at DCA under the terms and conditions of attached Exhibit "C".
- c) If insufficient qualified employees from the Employer's current Disneyland® workforce indicate interest in assignment to DCA under the terms and conditions of attached Exhibit "C", the Employer may then assign any qualified employee to DCA under the terms and conditions of Exhibit "C", with seniority being a consideration in such assignment but ultimate decision on assignment remaining with the Employer.
- d) If it is necessary for the Employer to assign employees to DCA, under the terms and conditions of Exhibit "C", who have not expressed interest in such assignment, the Employer will utilize its best efforts at returning such employees to permanent assignment to Disneyland® under

the terms and conditions of the 1998 Craft Maintenance Agreement as soon as is practical, considering the Employer's need for the employee's services, and the availability of qualified replacements at DCA. The parties recognize that such employees may, following assignment to DCA, determine their desire to remain at DCA and, if so, the Employer will consider such request.

It is recognized that the procedure set forth above shall apply only to regular employees of the Employer employed under the 1998 Craft Maintenance Agreement prior to the signing of this addendum. Any employee hired or converted to regular status subsequent to the signing of this addendum may be assigned to work at DCA under the terms of the attached Exhibit "C" at the Employer's sole discretion. Furthermore, the Employer may assign to DCA, at any time, employees hired as regular employees at Disneyland® prior to the signing of this addendum for necessary periods of time under the terms and conditions of the 1998 Craft Maintenance Agreement at the Employer's sole discretion. It is further recognized that the Employer, in its sole discretion, may find it necessary to assign employees assigned to DCA under the terms and conditions of the attached Exhibit "C", to work as needed at Disneyland®, as well as at DCA. When this occurs they will continue to be covered by the terms and conditions of the attached Exhibit "C".

### 3. Non-Precedential Effect

The Union agrees that the Employer's recognition of the Union as the exclusive bargaining agent for the affected employees pursuant to Paragraph One (1), above, shall not constitute an express or implied agreement to recognize the Union by those mentioned immediately below in this paragraph, nor shall it have any precedential effect in determining any question regarding employee representation or non-representation, by the Union or any other Union, with respect to: (a) any other corporation, business or asset that is currently or subsequently purchased, acquired, developed, constructed, improved, operated, managed, owned, or otherwise run by the Employer and/or any parent, subsidiary, or related entity or corporation, or (b) any third party Contractor, Sub-Contractor, Vendor, or Concessionaire that employs employees at, in or around, DCA.

The Union agrees that this Addendum shall not be used or offered by the Union as evidence in any proceeding or hearing, including but not limited to grievance meetings, arbitration hearings, lawsuits, NLRB proceedings, trials, or other adjudicatory proceedings, to determine whether the Union, or any Union, will or should represent employees of (a) any business or asset, including DCA, that is purchased, acquired, developed, constructed, improved, operated, managed, owned, or otherwise run by the Employer and/or any parent, subsidiary, or related entity or corporation, or (b) any third party Contractor, Sub-Contractor, Vendor, or Concessionaire that has employees at DCA.

The Union further acknowledges and agrees that DCA is a separate and distinct theme park that shall not constitute an accretion within the meaning of the National Labor Relations Act to the existing unit represented by the Union at Disneyland®. The Union further agrees that it will not hereinafter contend, support, or otherwise take a position contrary to the above in any proceeding or hearing, including but not limited to grievance meetings, arbitrations, lawsuits, NLRB proceedings, or any other adjudicatory proceeding.

4. Collective Bargaining Agreement

The Union agrees that the terms set forth in and/or incorporated into the 1998 Maintenance Agreement at Disneyland®, as modified in attached Exhibit "B", shall apply and be enforceable with respect to covered employees hired or assigned to work at DCA, except as provided in Exhibit "C" to this Addendum.

5. Term

Except for Paragraph 3, which shall remain in effect unless terminated by written agreement of the parties, this Agreement shall be coterminous with the 1998 Disneyland® Maintenance Agreement and any extension thereto or successor Agreements.

6. Authority

By signing below, the parties, to this Addendum Agreement certify that they have full authority to enter into this Agreement on behalf of all parties listed below.
